## meijburg lounge

Since 2015 Unseen and KPMG Meijburg & Co have been partners in awarding the **Meijburg Art Commission**. This year, Unseen and Meijburg & Co have invited artists to celebrate, investigate or question the importance, relevance and diversity of the theme 'Environment' in this day and age. In the Meijburg Lounge the work of the 5 shortlisted artists is exhibited, including a reflection on the work and this central theme. The five nominated artists for the Meijburg Art Commission 2024 are Anna Fabricius, Klaas Kloosterboer, Lee-Ann Olwage, Melissa Schriek and Gillean Trapenberg.

Next to this exhibition, a series of special events such as artist talks and book signings will take place in the Meijburg Lounge.
