Jackson Farley: Eden's Garden

July 24 - August 22

THIS IS NO FANTASY presents *Eden's Garden*, **Jackson Farley's** first solo exhibition with the gallery, following his international art fair debut at Paris Photo in 2025. *Eden's Garden* reimagines contemporary Australia as a fenced dystopian paradise. Through monumental jacquard tapestries, video and installation, Jackson Farley explores nationalism, ownership and belonging through the absurd symbols and myths that continue to shape Australian identity.

Jackson Farley, *this is what you got - i'd say come sit by the toxic pond but you've already piss'd off*, 2026, Digital collage, woven jacquard tapestry, 173 x 315 cm.
